

Think outside the box!

Are you tired of typical fundraising campaigns?

Would you like to contribute to your group without spending a penny more than you do in your day to day life?

Fundscrip is the ideal way to raise funds to support our group.

All you have to do is buy gift cards from Fundscrip for the stores where you already shop.

How does it work?

Fundscrip has hundreds of retailers listed on their site. You can purchase gift cards from any one or more of the retailers and a percentage of your purchase will be given to the group.

You receive the full value of the cards, in other words if you order a \$100 gift card from Loblaws for your groceries you get a \$100 card.

Who are the participating retailers?

There are tonnes of choices from Aldo to Zellers, and everything in between.

Visit www.fundscrip.com/retailers for the complete list.

What if I want to ask family & friend to help me support my group?

Great idea !!! Please invite family members, friends, co-workers and neighbors to participate in **FundScrip** as well. After all, they probably buy groceries and gas, just like you do! If you order online, they can order online the same way you do or you can make it really easy and order for them through your own account.

Some people even keep a supply of grocery cards on hand and sell them to people they come into contact with everyday!

Asking people you know to help support our group will increase our earnings so that we will reach our goal much sooner.

The FundScrip Gift Card Fundraising program allows you to:

Continue with your regular daily life and help the group!

No more out of pocket expenses for fundraising

Eliminate typical fundraising campaigns
